## IVC Frequently Asked Question

### What is a Virtual Conference?

A virtual conference is a way of presenting research paper via Internet, without the necessity of physical attendance. Conference participants do not travel anywhere

### Why virtual conference?

Non-physically attendance – the conference runs online at [www.isca.net.co/vconference/](http://www.isca.net.co/vconference/) Such approach spares time, reduces cost and proposes outputs comparable to classical conferences. For more information about virtual conference visit IVC-2018 web page.

### Who can attend the conference?

All scientists and researchers, who are interested in presenting their research work. All scientists and students, who would like to participate at the conference without any presentation. Both interested participants must register at first.

### Where does the IVC-2018 conference take place?

The conference will be held fully online at the portal: [www.isca.net.co/vconference/](http://www.isca.net.co/vconference/)

### When does the conference start?

All accepted papers, by the Scientific Committee, will be presented at the conference from August 5th until August 10th, 2018.
