IVC Publication of Papers

Full length research papers/review papers submitted latest by 4th August 2023 and presented by author in the online conference can be considered for publication (on request) in international peer reviewed journal "Research Journal of Recent Sciences" (ISSN 2277-2502) only after approval from editorial board and reviewers. See author's guideline at www.isca.net.co

IVC Frequently Asked Question

What is a Virtual Conference?

A virtual conference is a way of presenting research paper via Internet, without the necessity of physical attendance. Conference participants do not travel anywhere.

Why virtual conference?

Non-physically attendance – the conference runs online at www.isca.net.co/vconference/. Such approach spares time, reduces cost and proposes outputs comparable to classical conferences. For more information about virtual conference visit IVC-2021 web page.

Who can attend the conference?

All scientists and researchers, who are interested in presenting their research work. All scientists and students, who would like to participate at the conference without any presentation. Both interested participants must register at first.

Where does the IVC take place?

The conference will be held fully online at the portal: www.isca.net.co/vconference/

When does the conference start?

All accepted papers, by the Scientific Committee, will be presented at the conference from August 5th until August 10th, 2023.

IVC Step wise procedure

Step 1:-Submission of Abstract by email at conferenceivc@gmail.com

Step2:- After the acceptance of abstract, submission of registration fees. For Registration fees details please visit the link:

<http://isca.net.co/vconference/registration.php>

Step3:-Submission of Online Registration form available at <http://isca.net.co/vconference/registration.php>

Step 4:- Submission of PPT presentation and audio clip through online registration form
